Give the Gift of Sight to Your Family & Friends!

Dear Natalie:

We want to thank you for entrusting your eye care to us, as the most rewarding part of being eye surgeons is assisting patients in achieving their vision correction goals.

The best compliment we can receive is when our patients refer their family and friends to us, so that their loved ones can experience the benefits of Laser Eye Surgery for themselves. So, we've decided to do something a "little extra"—**we're making LASIK more affordable for your family and friends!**

We are enclosing gift certificates for the **Gift of Sight**, a **\$500 discount or \$250 per eye** toward LASIK through February 28, 2010. That's right—your family and friends can have LASIK at Eyecare Medical Group and receive a \$500 credit toward the treatment of both eyes.*

Share the **Gift of Sight** certificates with your family and friends as soon as possible, so they can experience the same freedoms from glasses and contacts that you now enjoy.

This **Gift of Sight** could change their life—or **AT LEAST THE WAY THEY SEE IT!**

Cordially,

William S. Holt, M.D.

Bruce R. Cassidy, M.D.

Elizabeth G. Serrage, M.D.

Jordan E. Sterrer, M.D.

**May not be combined with any other offers, discounts or promotions. This offer expires 2/28/10.*
